Appointment of a full time clerk in Hosanagar Municipality —

From
The Deputy Commissioner
Shimoga District

Letter No Hsc 157/48-49 dated 16th Nov 48

Requests sanction to the resolution of the Hosanagar Minor Mcl to entertain a full time clerk for the Municipal office —

The Hosanagar minor Mcl ~~has~~ has conferred with the privelege of electing a non-official president from among its members in accordance with the GO d 29th June 48 (Flag A)

2) The Mcl has resolved to entertain a full time clerk to the above municipal office on Rs 40 2 50-3-80 with a view to facilitate discharge of officials from Rev Dept to the Mcl and to relieve the official who is now looking after the work of two offices, a Taluk office and the Mcl which was the arrangement made when the Amildar and the president of the municipality were combined in one

3) The financial position of the municipality for the year 1948-49 is as follows —

Opening Balance Rs	13482
Receipts —	36360
Closing Total	49842
Expenditure	41756
Closing Balance Rs	8086

4) The Dy Secretary recommends the question of the need for the Entertainment of a full time clerk for the HLO and to meet the expenditure in that behalf, out of the closing balance of the Municipality — Sub for orders —

Dy 2-11-65

5) Against an expenditure of Rs 5/- for which was being incurred all along for Clerical work, it is now proposed to incur an expenditure of Rs 40/- pm to start with which will increase as time goes on The reason why this is recommended is that one Official doing Munl work in addition to his duties in the Taluk Office will be under dual Control and he may not have to harmonise discharge of work, But the only justification for a whole time appointment like this, the expenditure on which must weigh heavily on a small Municipality, must be that there is full work for one Official The object of the question does not appear to have been examined and it is also not clear whether the President cannot handle his own accounts for part time Clerical work on an allowance of about Rs 10/- a month, against Rs 5/- which is paid to the Revenue Official

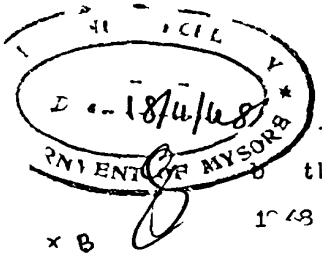
Subject - Hosanagara Municipality - Appointment of a full time Clerk for --



× B

In forwarding herewith copies of the resolutions passed by the Hosanagara Town Municipal Council on the 17th October 1948 and the 22nd October 1948 soliciting sanction to the entertainment of a full time clerk for work in the Municipal Office I write to state that the work of the Municipal Office at Hosanagara has so far been attended to by one of the Clerks of the Taluk Office who has been allowed an allowance of Rs 5/- per month for the work turned out by him. This arrangement has no doubt economical and worked well so long as the duties of the Municipality were comparatively light.

4. But now that the Municipality is electing its own non-official President has been conceded to the Municipality in G O No L 13223-75/ML 120-47-7 dated 29-6-48, and that Sri P S Venkata Rao has been elected as the Non-official President (vide Government letter of even No L 31/5-MC 57-48-6 dated 27th September 1948) it has been found that civil control over the work of a single official is not conducive to the efficient working of Departments of these offices and the Council has therefore solicited sanction to the entertainment of a full time clerk for the Municipality on Rs 40-2-50.

In agreement with the Municipal Council I recommend that sanction of Government be kindly be obtained to the entertainment of a full time clerk for the Municipal Office as recommended with the modification that the pay of the clerk may be fixed as Rs 40-2-50-3-80 with view to facilitate interchange of officials from Revenue Department to the

Subject Appointment of a full time clerk in Hosangar Town Municipality —

Sir

With reference to your letter No M3C 154 48-49 dated 16th Nov '48 on the above subject, I am directed to state that, against an expenditure of Rs 5/- PM which has been incurred all along for clerical work relating to the Municipality, it is now proposed to incur an expenditure of Rs 40/- PM to start with, which will increase as time goes on the reason why this is recommended is that one official doing Municipal work in addition to his duties in the Taluk office will be under dual control and this may not lead to the harmonious discharge of work. But the only justification for a whole-time appointment like this the expenditure on which must weigh heavily on a small municipality like Hosangar must be that there

full work for one official This aspect of the question does not appear to have been noticed while it also not clear whether the President cannot make his own arrangements for part Time clerical work on an allowance of about Rs 10/- P M against Rs 5/- which is paid to the Revenue Officer

A full detailed report may kindly be furnished on the points raised above, after examination of all the aspects of the case

Yours faithfully
